

CONSENT TO PERSONAL DATA PROCESSING IN COMPLIANCE WITH ORGANIC LAW 15/1999 AND RELATED REGULATIONS (RD 1720/2007)

As a Visiting Astronomer to the "SCIENCE AND TECHNOLOGY FACILITIES COUNCIL" (STFC), I **grant explicit consent** to the "ISAAC NEWTON GROUP OF TELESCOPES" (LA PALMA) of the STFC, with VAT number. N-0061464-D, **to process personal data with the purpose of creating a personal information file.**

With this aim, I **am informed** about the following:

a) That the data provided to be processed may be transferred and/or used by persons or entities outside STFC solely to comply with aims directly related to the transferor's and the transferee's lawful purposes. In order to transfer the data to be processed to any other company not related to the STFC, the consent of the undersigned must be obtained.

b) That personal data included in the file, other than name and surname, duties or jobs performed, postal/electronic address, driving licence, professional telephone and fax numbers, are optional and I have no obligation to provide data other than those mentioned here.

c) That it is possible to exercise the rights of access to, correction and deletion of the file created, and the right to prevent processing of the file in the manner set out in relevant legislation.

d) That the data controller is the STFC and the data processor is the STFC Head of Personnel or Personnel Officer.

To that end, I hereby return this completed consent to process personal data in the manner and with the purposes mentioned above freely, unequivocally, specifically and in an informed way, in Santa Cruz de La Palma.
