

A workshop on

Science with the William Herschel Telescope 2010 - 2020

22-23 March 2010
Burlington House, London, UK

<http://www.ing.iac.es/conferences/wht201020>

Galactic archaeology
Cosmological surveys
Nearby galaxies
Stellar evolution
Resolved populations
Extra-solar planets

Wide-field astronomy
Multi-object spectroscopy
Fast spectroscopy
Adaptive optics
Northern-hemisphere science
