

A workshop on

# Science with the William Herschel Telescope 2010 - 2020

22-23 March 2010  
Burlington House, London, UK

<http://www.ing.iac.es/conferences/wht201020>

Galactic archaeology  
Cosmological surveys  
Nearby galaxies  
Stellar evolution  
Resolved populations  
Extra-solar planets

Wide-field astronomy  
Multi-object spectroscopy  
Fast spectroscopy  
Adaptive optics  
Northern-hemisphere science
