

★ Interests:

- ★ Dynamics of Galaxies
- ★ Barred Galaxies and Boxy/Peanut Bulges
- ★ Milky Way. Predictions for future surveys.

★ My poster: **Vertical metallicity gradients in the MW**

Bulge metallicity map from the near-infrared photometric VVV Survey (Gonzalez et al. 2013)

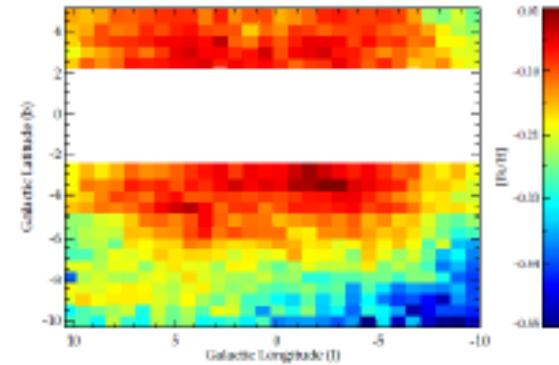

Fig. 5. Metallicity map for the Galactic bulge, as shown in Fig 2, using the extinction law from Nishiyama et al. (2009)
